Rubric Category	Grade	Comments
UML Diagram (15%)	90%	Only one exception class is given. Public methods aren't throwing any exceptions for input validity check or I/O exceptions..
Code Implementation (40%)	95%	Excellent. Only a test related with ceiling failed.
Documentation (10%)	100%	Excellent documentation including the readme files.
Unit Testing (25%)	100%	52 tests ran.
Video Demonstration (10%)	100%	Excellent, short, demoed DB, order form, all members.
TOTAL	97%	Overall, great job. UML wil require significant improvement.
